## Medical Professional Discount Pricing for Lap-Band

Due to the appreciation of health professionals, WLIA is offering reduced rates for individuals working in the medical field. Our multidisciplinary program focuses on each person's health, nutritional, medical, and psychological needs. For our surgeries, we use two board certified bariatric surgeons and a cardiac anesthesiologist. Three years of unlimited access to our nutritionist and support system are included.

**Cash price for Lap-Band Program: \$12,900**

If your insurance has benefits for weight loss surgery, please contact our office for your reduced price.

Some exceptions and exclusions may apply. Patient must present flyer and recent pay stub from accredited medical facility to qualify. Limited time offer.

Call our office to register for a free consultation or seminar today.
